McNally Robinson Booksellers and Freehand Books

are pleased to present

Leona Theis

launching

If Sylvie Had Nine Lives

Thursday, October 8th at 7pm CST

Virtual Launch

Please join **Leona Theis** to celebrate the launch of [*If Sylvie Had Nine Lives*](#) (Freehand Books). Leona will be joined by writer and editor **Deborah Willis** and writer **Kate O’Gorman** to talk about how she came to write the book.

Registration is required to directly participate in the Zoom webinar. It will be simultaneously streamed on [Youtube](#) and available for viewing thereafter.

Meet Sylvie – funny, sly, sensual, and flawed. She can’t always count on herself to make good choices. Like all of us, Sylvie must make decisions that have reverberations for years to come. Unlike the rest of us, Sylvie gets to live more than one life.

“If *Sylvie Had Nine Lives* is a remarkable book . . . a haunting, thrilling glimpse of the slender choices our lives hang by.” – Nino Ricci

If Sylvie Had Nine Lives is the newest novel from Saskatoon writer **Leona Theis**. Leona has won two Saskatchewan Book Awards, has won creative nonfiction awards from CBC and Prairie Fire Magazine, and has appeared in numerous magazines and anthologies.

Kate O’Gorman lives and writes on the Saskatchewan prairie. Her work has appeared in *Qwerty*, *untethered*, and other literary publications.
